Players: any amount

Age Range: 6 and up

You will need:

- Blindfold, or something to cover the eyes of a player

How to play [or Instructions]

- Blindfold one player and spin them around three times.

- The blindfolded player must try to tag one of the other players.
- When the “blindman” tags another player, the tagged player becomes the “blindman” in the next game.
- All the players are allowed to crouch low, sneak up behind the “blindman” and scare him, or stand still and keep very quiet.

Variations of the Game

- There can be two or more “blindmen” depending on the size of the group.
