Players: Minimum 10 players

Age Range: any age

You will need:

- No equipment

How to play [or Instructions]

- Spread out the participants and have them walking around in any direction.
- The leader of the game will call out a number (ex: 5, 12, 2, etc.) depending on the size of the group.
- The participants must form groups, or clumps, the size of that number.
- Players that do not make it into a clump of the right amount are “out”.
- Then the participants continue to walk around until another number is called.
- The game continues until there is a winner.
