How to play [or Instructions]

- Divide the participants into teams of 8 -10 children.
- Give each team a newspaper sheet.
- Ask children to walk around a large circle while music plays.
- When the music stops each team must stand on their newspaper. No part of their foot can touch the floor. It is an 'island'.
- If a player cannot fit on the 'island' or their foot is touching the floor, they are "out".
- Each team must fold the newspaper in half for the next round. Repeat the game until no one is able to succeed. النصّ الأساسيّ

Variations of the Game

- **A blanket can be used instead of a newspaper**
