**You will need:**

ما ستحتاج إليه:

نقاط

- Ballons filled with water
- One blanket per team

## How to play [or Instructions]

كيفية اللعب [أو تعليمات]

- Divide the group into teams of about 10 to 15 participants.
- Give each team a blanket that they hold like a trampoline.
- Each team must coordinate themselves to launch a water balloon to another team's blanket.
- They must also catch another team's water balloon.

## Variations of the Game

- Teams can launch and catch balloons at the same time.
- Have many more water balloons ready for the game, as they will break if a group drops any balloons.
