## Grab the Hat

اسم اللعبة

Size of Group: 15-40 Players

Age Range: All Ages

**You will need:**

ما ستحتاج إليه:

- A hat

**How to play [or Instructions]**

كيفية اللعب [أو تعليمات]

- Divide the group into two and ask them to stand in a line on opposite sides of the room facing each other.
- Ask a volunteer to sit in the middle of the two teams with a hat on his head.
- Number the players in each team so that each player has a number (1, 2, 3...).
- When the leader calls a number, the player with that number runs to the middle and tries to grab the hat and run back to his team without being caught by the other player.

- When a player succeeds, his team scores a point.

## **Variations of the Game:**

- The leader can call two numbers at a time, so two players from each team work together to grab the hat.
- Instead of a hat you can use a water bottle, a cup or anything else you have with you.
